

AABIP APP & Allied Health Chapter

Meeting Minutes 10/05/2022

Begin meeting: 805pm

Those in attendance: Bethany Brockway, Becky Cloyes, Melissa Malinky, Rebecca Priebe, Margaret Gaynor, Brittany Holcomb

1. Review Meeting Minutes from 6/8/22
2. Chair goals:
 - a. Increase membership- 50 members we know of- good representation of APP/Allied Health at AABIP conference
 - b. Talk with allied health members
3. Report from Education Committee –new chairs: Colleen and Ara
 - a. Webinars – none currently in process
 - Goal is bi-annual
 -
 - b. Next APP challenge-Colleen has invited us to join Fellow challenge- team group of APPs- could do modules together in zoom meeting- sent via email the beginning of the month then once a month- submit answers to an app Canvas as a team. Starts soon- Erica can register us- Rebecca will email our group to see who is interested.
 - c. Scott Oh- lecture series- interested in extending it to RNs/RTs/APPs, let us know if topics you'd like to see.

Sharing resources & reading list –Rebecca

 - i. Allied Health/APP toolkit now on website
 - IP APP written curriculum update- Curriculum training program- each IP procedure broken down- process of publishing it- available at end of the year.
 - ii. Education committee- goal to have webinar/video with each IP procedure- BLVR, EBUS, specimen on a slide, thora's, etc- will tie into curriculum
 - iii. Chest annual conference
 - 2022- Nashville October 16-19
 - d. Investigate CME offerings to members on lectures
 - ? CME ½ day activity for RT/RNs/Coordinators- not there yet- hopefully next year
