

American Association for
Bronchology and Interventional Pulmonology

SECRETARY-TREASURER NOMINEE

LABIB DEBIANE, MD

Henry Ford Health

It has been over a decade since I proudly joined AABIP as a full member, and in that time, the organization has become much more than a professional society: it has become my second home. Throughout these years, I had the privilege of serving on numerous AABIP committees, including the Scientific Program Committees (2018–2023), Media Committee, Research Committee, DIU Committee, Certification Committee, and Board Eligibility Application Review Committee. Each of these roles has deepened my commitment to our shared mission and allowed me to contribute meaningfully to the growth and evolution of AABIP into the premier organization it is today, one that leads the way in education, training, and advocacy for advanced bronchoscopists and interventional pulmonologists.

Recently, I've been honored to take on leadership roles within the organization. Since 2024, I have served on the AABIP Board of Directors, while also chairing the Board Eligibility Application Review Committee and co-chairing the Certification Committee since 2022. These experiences further strengthened my resolve to support our members, uphold the highest standards of excellence, and foster a culture of collaboration and inclusivity.

With this foundation, I am excited to submit my candidacy for the position of "AABIP Secretary-Treasurer". If elected, I will bring the same dedication, integrity, and strategic focus that guided my service thus far. I am committed to providing steadfast organizational support to our committees, advocating for the needs of our diverse membership, promoting innovation, transparency, and fiscal responsibility, and fostering an environment where everyone feels valued and empowered.

I believe my strong work ethic, organizational acumen, and seasoned leadership, combined with a deep-rooted belief in the values and vision of AABIP, position me to serve effectively in this role. I am grateful for your consideration and would be honored to continue contributing to the future of our growing community.
